Sir,

I submit a draft notification under Section 4 of the Madras Forest Act V of 1882 for the reservation of addition No.X to Naravi Reserved Forest in Karkal Taluk, South Kanara District for approval and publication in the Fort Saint George Gazette.

2. The area proposed for reservation is enclosure No.6 within Naravi Reserved Forest – vide item C.6 of the remarks in the notification appended to G.O.No.99 Revenue dated the 6th February 1900 – and is 3.2.acres in extent.

The patta land within this enclosure was acquired in G.O.No.MS.356, Development Department, dated the 9th February 1938. and therefore the patta land and the unreserve which together form the enclosure are now at the disposal of Government.

The existence of this enclosure within the reserve was a source of trouble to the Department as the owner of the patta land had been carrying on illicit removal of forest produce etc. from the reserve. The patta land was therefore acquired and the whole enclosure is now proposed for reservation.

3. The Superintendent, Government Press may be instructed to supply two copies of the notification on publication.
